KEY TO SUCCESS

Elk Valley has found many ways to make reading fun for students! The **One School, One Book** initiative sends the same book home to each student, asking families to read a chapter together each night. The next morning, the entire school discusses the chapter! Additionally, in the summer of 2023, 120 Elk Valley students participated in a **Summer Reading Club**, reading a total of 3,472 books over summer break.

FAMILY ENGAGEMENT INCREASED OPPORTUNITIES FOR INVOLVEMENT

In the 23-24 school year, Elk Valley:

- saw nearly 90% of families attend parent teacher conferences
- hosted 56 student, staff and family engagement events
- offered four parent workshops on-site, utilizing parent survey responses to guide topics
- hosted its first Bingo for Books event where 60 families received dinner, vouchers to the Playhouse and books to take home

ELK VALLEY SUCCESS STORY: SENSORY ROOM

In early 2024, Elk Valley was able to create a sensory room, which promotes positive school culture and supports mental and behavioral health for students! The sensory room is an area students can go to with a staff member to decompress and self-regulate, so they can return to class ready to learn. During the spring semester, the sensory room was utilized at least 300 times by students! The sensory room will be an asset to Elk Valley for years to come.
