### TOTAL ILLEGAL ABSENCES

(Absences that are unexcused and contributing to truancy)

### STUDENTS CHRONICALLY ABSENT

(missing 10% or more days per year)

★ 15% DECREASE IN TWO YEARS

## KEY TO SUCCESS

In 23-24, Jefferson accomplished a significant milestone with the establishment of the **Bronco H.E.R.D, a community school student leadership group**. This initiative introduced student leadership opportunities at the school for the first time. Student leaders help to foster a culture of responsibility, regular attendance, mentorship, and community amongst the student body. The H.E.R.D leaders have become an integral key in promoting positive behavior and school spirit in the last year!

## FAMILY ENGAGEMENT

### INCREASED FAMILY PARTICIPATION IN SCHOOL ACTIVITIES

In the 23-24 school year, Jefferson:

- saw a 37 point increase in the percentage of students whose guardians attended Parent Teacher Conferences
- hosted its first Family Carnival, which drew over 500 participants from the school community
- hosted 46 student, staff and family engagement events

### JEFFERSON SUCCESS STORY: OPERATION WARM

One of the most memorable moments from the 23-24 school year was Jefferson's partnership with Subaru for **Operation Warm**. Through this partnership, Subaru generously donated **144 coats, shoes and socks** to families at Jefferson. The impact was profound. After receiving her items, one mother shared through tears that her son's coat had ripped, and with no funds to replace it, she was deeply worried about his walks to school. The donated items brought immediate relief to her family, and many others in the Jefferson community, highlighting the power of community partnerships in supporting our families during challenging times.

## COMMUNITY PARTNERSHIPS

### ROBUST PARTNERSHIPS MADE JEFFERSON'S YEAR A GREAT ONE !

In the 23-24 school year, Jefferson was grateful for:

- over 30 volunteers contributing to events and programs
- over \$1,800 of in-kind donations
- community and neighborhood support for the school's Community Closet, which helped students and families with basic needs over 870 times
