### PERRY SUCCESS STORY: A SPECIAL GUEST ON CAREER DAY

In the spring of 2024, Perry’s community school team worked to enhance their annual Career Day, designed to spark imagination and foster hands-on learning. After a significant collaboration and outreach effort, the Pennsylvania National Guard graciously agreed to participate. On Career Day, a Blackhawk helicopter landed in Perry’s parking lot, creating an unforgettable experience for our students! Adding to the excitement, the pilot was a former Perry Elementary student. This event provided Perry Admirals with a unique and inspiring experience, encouraging them to dream big!
